

Dear All

I trust you all enjoyed the recent production at the theatre as much as I did.

Carver work goes on however, and Matt (Stage Secretary and Panto Stage Manager) sends the reminder below regarding Panto set building. Please help out if you are able, the panto is a major event in the year of the theatre.

Just a quick reminder too from me that the next newsletter proper is due next weekend, so if you have anything to share with the members, now is the time to send articles to me!

From Matt....

On Monday 19th November in the evening we will be stripping wall paper, painting flats white and moving the drops/lighting bars into the correct places, painting can then commence in full.

We need two teams. Team 1 to complete the lining out during the day starting on Tuesday 20th November kindly being led by Phil. Could you let me or Phil know if you can help in the day time as this is the critical part for the evening team to have something to paint! . The lining out may take all week so all help is gratefully received.

Team 2 will then paint in the evenings from 7.30pm (Paint by numbers!). I will be asking the parents of the children to assist as well. Plus the Juniors (older section) will be helping on the Wednesdays to improve their stage craft. The painting will be for two weeks solid as Bernice needs the stage from the first week in December. Once the actors are on the stage, the building will continue on Mondays and Wednesdays to finish the painting / building machines etc.

The panto is always a huge team effort and all help will be gratefully received. If you could you let me know when you could help, that would be fantastic. Please feel free to turn up at the stated times in old clothes with a willingness to help no skill needed.

Many Thanks

Matt Kayes
Stage Secretary and Panto Stage Manager.
