The Carver Theatre

I am writing on behalf of us all to thank you for your most generous donation of

Two theatre tickets

which was used as a raffle prize at our fundraising event held last Saturday at Marple Conservative Club. We held a very successful Comedy Evening which raised £1559.00.

As a small entirely voluntary committee we are delighted to be able to tell you that this year we are able to make a donation of £2000.00 each to four cancer charities, Cancer Research UK, Leukaemia and Lymphoma Research, The Christie and St Ann's Hospice. This £8000.00 has been raised locally in and around Marple and it is only with the help and support of local people and particularly businesses like yourselves that we are able to do this.

A very big thank you to you, may we send you every good wish for the next twelve months.

Yours sincerely,

pp Marple Cancer Charities Committee

Denise Johnson
Honorary Treasurer
